- Journey Thread Whip Cream / AC-0128
- Crease Tool / TO-0040
- Journey Heat Gun / TO-0083 (optional)
- Die-cutting Machine
- Basic Makery Kit

INSTRUCTIONS

1. Trim 4 ¼" x 11" Cool Pool cardstock; fold in half to form top-folding card base.
2. Trim Color Splash Sheet to 5 ¼" x 4".
3. Use Square Paint Brush to apply water to center of panel; apply diluted Cool Pool Liquid Color to panel to create a "glow" in the center of the panel. Allow to dry or heat set.
4. Flick panel with Electric Lime silk.
5. Die-cut Baby Envelope from Citrus Cooler cardstock, Cool Pool cardstock and Journey Vellum; fold flaps in on score lines using Crease Tool.
6. Affix side and bottom flaps of Citrus Cooler and Cool Pool cardstock die-cut envelopes using Journey Craft Glue. Fold top flap down, wrap Whip Cream Journey Thread around envelope, cross thread over and under and wrap in the opposite direction in the back. Bring to around to front and tie in a bow (like you are wrapping a present).
7. Punch 2 dozen mini hearts from Bubble Gum, Watermelon Fusion, Pool Play, Blue Lagoon, Citrus Cooler, Limeade Splash, and Lemon Drop cardstocks; spread a layer of Journey Craft Glue on the lower area of the middle portion of the Journey Vellum Baby Envelope die-cut and affix the mini hearts until the glue is covered. Close the envelope with small drops of Journey Craft Glue.
8. Affix 3-4 hearts floating upward toward the flap of the Baby Envelope die-cut.
9. Stamp 'Spread Love Wherever You Go' sentiment on Whip Cream cardstock using Black Licorice ink; die-cut or detail cut using Details Pro Shears.
10. Affix Color Splash Sheet panel to Cool Pool card base.
11. Pop-up all three die-cut envelopes and sentiment on card front.
12. Embellish panel with 3-4 mini hearts, Journey Sequins Blue Skies and Fashion Silver.
13. Apply Journey Glaze to the mini hearts not tucked inside envelope.
